

Think Bespoke – VIC 2022

The mission of Think Bespoke is to help people use LinkedIn better to achieve their professional goals. Clients are provided with the knowledge needed to empower them to live the life they imagined.

Established in 2010 by Karen Hollenbach, Think Bespoke is 100% owned and run by women. “We’re a team of corporate escapees who restructured our lives, years before working from home became the norm.”
