

Amplify My Business – VIC 2023

Amplify My Business offers Business Coaching and Management Consulting services to Business Owners like you! Amplify my business is about achieving accelerated affluence. We help transform your business and lives to attain abundance with knowledge and clarity.

We provide unique, tailored made, one-on-one business coaching programs. We also offer comprehensive focused Business support in areas of cashflow, annual planning, goal setting, sales and marketing plans, pricing, costing, profitability, and process/policy manual. We work with clients in regular coaching sessions to implement business management concepts in your business by transforming behaviour patterns using NLP, Emotional Intelligence, and neuroscience techniques. We help you implement your existing knowledge and new learnings practically in the business!
