(A professional Coaching Practice)

As an International Coaching Federation (ICF) accredited coach Suzie Paceskoska partners with professionals, emerging and existing leaders specialising in career, essential (soft) skills, and leadership development.

As an accredited Everything DiSC facilitator, Suzie offers individual Everything DiSC Workplace profile reports and debriefs and workshops for small groups and teams. Everything DiSC is a powerful tool providing insights into the preferred working styles of individuals and how these can be used to enhance their own communication and working relationships.

Combining professionalism with compassion and applying deep listening, Suzie supports people to find their truth, adapting her approach to suit their needs. She applies values and strengths-based coaching alongside other proven coaching methodologies to empower and enable individuals to succeed. She draws on her deep insight gained from over 25 years of leadership and management experience within the private and public sector and work as an internal coach. <https://thecoachingdirectory.com.au/coach/space2be/>
